Book Details Submitted

- **Book Name:** mrityunjay
- **Author Name:** Shivaji Savant
- **Publisher Name:** Mehta Publishing House
- **Category:** novel
- **Synopsis:** The novel traces the extraordinary personality of Mahavir Karna, who is commonly known as the villain of the Mahabharata. Many stories are familiar to everyone. Despite being a hero, he seems to be a villain almost everywhere. But when I took up the novel "Mrityunjay" written by Shivaji Sawant, it was as if Karna's life was rediscovered in my mind. The picture above proves that there was never a donor like Karna on this land. This novel introduces us very closely to many such familiar and unfamiliar situations. Another donation to Marathi literature from Shivaji Sawant.
